SENATE BILL 704
By Ford J

AN ACT to amend Tennessee Code Annotated, Title 53, Chapter 10, relative to controlled substances and to enact the "Controlled Substance Monitoring Act of 2001".

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 53, Chapter 10, is amended by deleting Part 3 in its entirety and substituting instead the following:

53-10-301. This part shall be known and may be cited as the "Controlled Substance Monitoring Act of 2001".

53-10-302. As used in this part:

(1) "Board" means the board of pharmacy created in Tennessee Code Annotated, Title 63, Part 10.

(2) "Committee" means the Controlled Substance Database Advisory Committee created in this part.

(3) "Database" means the controlled substance database created in this part.

(4) "Department" means the Department of Commerce and Insurance.

(5) "Dispense" means to physically deliver a controlled substance covered by this chapter to any person, institution or entity with the intent that it be consumed away from the premises in which it is dispensed. It does not include the act of writing a prescription by a practitioner to be filled at a pharmacy licensed by the Board.

(6) "Dispenser" means any health care practitioner who has authority to dispense controlled substances, a pharmacist and a pharmacy that dispenses to any address within this state.

53-10-303. (a) There is created the Controlled Substance Database Advisory committee. The committee members shall be:

(1) The Executive Director of the board of Pharmacy, who shall chair the committee and serve as database manager;

(2) The Director of the Department of Health's Division of Health-Related Boards who shall be vice-chair of the committee;

(3) The Executive Director of the Board of Medical Examiners;

(4) One (1) of the governor-appointed and licensed members of each of the following health care professional licensure boards or committees to be chosen by the licensing board or committee:

(A) The Board of Medical Examiners;

(B) The Board of Osteopathic Examination;

(C) The Board of Dentistry;

(D) The Board of Registration in Podiatry;

(E) The Optometry board;

(F) The Board of Veterinary Medical Examiners;

(G) The Board of Nursing;

(H) The Board of Medical Examiners' Committee for Physician Assistance; and

(I) The Board of Pharmacy; and

(5) One (1) of the members of the board of Pharmacy, and one (1) of the members of the Board of Medical Examiners who were appointed to those boards to represent the general public. The boards shall choose those representatives.

(b) The committee shall meet at least annually and as often as deemed necessary either at the call of the chair or upon request of at least three (3) members of the committee. A quorum for purposes of official actions by the committee shall be seven (7) members.

(c) The members of the committee chosen to serve by the individual licensure boards and committees, while serving on this committee, shall be deemed to be performing official duties as members of their original board or committee and shall be entitled to the same per diem and travel reimbursements as they would receive for performing their duties for their original board or committee. The member's original board or committee shall pay those per diems and travel reimbursements.

(d) The committee shall advise the Department and promulgate rules regarding:

- (1) Establishing, maintaining, and operating the database;
- (2) Access to the database and how access is obtained; and
- (3) Control and dissemination of information contained in the database.

(e) At all times, except when considering, reviewing, discussing, advising or taking action in reference to specifically named individuals or dispensers identified from information contained in, or reported to the database, the committee shall be subject to the provisions of Tennessee Code Annotated, Title 8, Chapter 44, Part 1.

(f) The committee shall have the authority to promulgate all rules and regulations, pursuant to the Uniform Administrative Procedures Act, necessary for implementation of the provisions of this chapter.

53-10-305.

(a) Each dispenser shall, regarding each controlled substance dispensed, submit to the committee all of the following information by a procedure and in a format established by the committee within fifteen (15) days of the date on which the controlled substance is dispensed:

- (1) Name of the prescribing practitioner;
- (2) Date of the prescription;
- (3) Date the prescription was filled;
- (4) Name of the person for whom the prescription was written;
- (5) Positive identification of the person receiving the prescription, including the type of identification and any identifying numbers on the identification;
- (6) Name of the controlled substance;
- (7) Quantity of controlled substance prescribed;
- (8) Strength of controlled substance;
- (9) Quantity of controlled substance dispensed;
- (10) Dosage quantity and frequency as prescribed;
- (11) Name of pharmacy or practitioner dispensing the controlled substance;
- (12) Name of pharmacist dispensing the controlled substance; and
- (13) Other relevant information as required by committee rule.

(b) The Department shall maintain the database in an electronic file or by other means established by the committee in such a manner as to not infringe on the legal use

of controlled substances for the management of severe and intractable pain, and in such a manner as to facilitate use of the database for identification of:

(1) Prescribing practices and patterns of prescribing and dispensing controlled substances; and

(2) Individuals, facilities or entities receiving prescriptions for controlled substances from licensed practitioners, and who subsequently obtain dispensed controlled substances from a pharmacy in quantities or with a frequency inconsistent with generally recognized standards of dosage for that controlled substance, or by means of forged or otherwise false or altered prescriptions.

(c)

(1) The committee shall by rule establish the electronic format in which the information required under this section shall be submitted to the committee and shall allow for waiver for individual dispensers for whom it would cause undue hardship.

(2) The division shall ensure the database system records and maintains for reference:

(A) Identification of each person who requests or receives information from the database;

(B) The information provided to each person; and

(C) The date and time the information is requested or provided.

(d) The committee shall make rules to:

(1) Effectively enforce the limitations on access to the database as described in this chapter; and

(2) Establish standards and procedures to ensure accurate identification of individuals requesting information or receiving information from the database without a request.

53-10-306.

(a) Information sent to, contained in, and reported from the database in any format is confidential and not subject to the provisions of Tennessee Code Annotated Title 10, Chapter 7, and not subject to subpoena or process of any kind issued from any court and shall be made available only to the following persons, and in accordance with the limitations stated and committee rules:

(1) Personnel of the committee specifically assigned to conduct analysis or research;

(2) Authorized committee, Board, or Department members and personnel engaged in analysis of controlled substances prescription information as a part of the assigned duties and responsibilities of their employment;

(3) A licensed health care practitioner having authority to prescribe or dispense controlled substances, to the extent the information relates specifically to a current patient of the practitioner, to whom the practitioner has prescribed or dispensed or is prescribing or dispensing or considering prescribing or dispensing any controlled substance; or

(4) A licensed pharmacist having authority to dispense controlled substances to the extent the information relates specifically to a current patient to whom that pharmacist has dispensed, is dispensing or considering dispensing any controlled substance.

(b) Any information disseminated pursuant to subsection (a)(3) or (4) shall be sent under the auspices of the committee but shall be sent on the letterhead and under the authority of the licensing board that regulates the licensee who is the recipient and signed by the member of the committee representing that licensing board.

(c) Any licensed practitioner or pharmacist receiving information pursuant to subsections (a)(1) or (2) shall not disclose the information to any person other than:

(1) The patient to whom the information relates and then only for the purpose of adjusting the patient's treatment plans or counseling the patient to seek substance abuse treatment; and

(2) Other dispensers identified by the information and then only for the purposes of verifying the accuracy of the information.

(d) Any person who obtains or attempts to obtain information from the database by misrepresentation or fraud is guilty of a Class D felony.

(e) Any person who knowingly uses, releases, publishes, or otherwise makes available to any other person or entity any information submitted to, contained in, or obtained from the database for any purpose other than those specified in this part is guilty of a Class D felony.

53-10-307.

(a) The failure of a dispenser to submit information to the database required under this part after the committee has submitted a specific written request for the information or when the committee determines the individual has a demonstrable pattern of failing to submit the information as required is grounds for the denial of licensure, renewal of licensure, or disciplinary action against the dispenser before the licensing board with jurisdiction over the dispenser and for the committee to take the following actions:

(1) Recommend to the appropriate licensure board that it should refuse to issue a license to the individual;

(2) Recommend to the appropriate licensure board that it should refuse to renew the individual's license; and

(3) Recommend to the appropriate licensure board that it should commence disciplinary action against the licensee seeking revocation, suspension or other appropriate discipline including civil penalties.

(b) An individual who has submitted information to the database in accordance with this part and in good faith shall not be subject to a suit for civil damages nor held civilly liable for having submitted the information.

(c) An individual who in good faith disseminates information contained in, or derived from the database to the individuals authorized by this part to receive it in, the manner authorized by the part or rules promulgated pursuant thereto shall not be subject to a suit for civil damages nor held individually liable for having done so.

(d) No health care practitioner licensed by any board or committee shall be subject to licensure disciplinary action for submitting the information required by this part to the committee and the submission of the information shall not be deemed to be a breach of any confidentiality, ethical duty to a patient, or the sharing of any professional secret.

(e) All costs associated with recording and submitting data as required in this part shall be assumed by the submitting dispenser.

53-10-308. The committee and department shall report annually to the governor and to the presiding officer of both the House and Senate on the outcome of the program with respect to its effect on distribution and abuse of controlled substances, including recommendations for improving control and prevention of the diversion of controlled substances in this state.

SECTION 2. For purposes of convening the committee, setting up the database for receipt of data and promulgating rules, this act shall take effect upon becoming law, the public welfare requiring it. For all other purposes, it will become effective on January 1, 2002.
